

## Conferences & Workshops 2009

### **Date: 14 - 15 March '09**

**Event:** International Federation for Disabled Sailing (IFDS) Classification Seminar

**Duration:** 2 Days **City:** Singapore

**Details:** Participants are trained to classify sailors at national events. A highly visual and practical course, this course will be an elementary and intermediate course introducing general information about the IFDS Functional Classification System which requires that all IFDS Recognised Authorities have a Chief National Classifier. This seminar which comprises of theoretical, practical training session and on-the-water observations provides the opportunity for individuals to train for this classifier role.

### **Date: 28 - 29 March '09**

**Event:** International Blind Sport Association (IBSA) Classification Seminar

**Duration:** 2 Days **City:** Singapore

**Details:** Find out more about the criteria and equipment made available for athletes to undergo medical classification to compete internationally. Participants will also learn about IBSA's Medical Procedures.

### **Date: 2 - 4 April '09**

**Event:** International Paralympic Committee Athletics (IPC) Classification Seminar (Level 1 & 2)

**Duration:** 2 Days **City:** Singapore

**Details:** This course forms the preliminary pathway to becoming an accredited athletics classifier. IPC athletics classifiers are also expected to attend an IPC Classification Seminar once every five years to refresh their skills and abilities and to update their classification knowledge.

*(Held preceding the 37th National Track & Field Championships. Practicum will be conducted at the games.)*

### **Date: 23 - 25 April '09**

**Event:** International Paralympic Committee (IPC) Swimming Classification Seminar (Level 2)

**Duration:** 3 Days **City:** Singapore

**Details:** Learn about the different types of swimming classification (physical, visual and intellectual disabilities) and the Functional Classification System in swimming.

*(Held preceding the 28th National Swimming Competition. Practicum will be conducted at the games.)*

### **Date: 18 - 19 June '09**

**Event:** International Paralympic Committee (IPC) Athletics Classification Seminar

**Duration:** 2 Days **City:** Dubai

**Details:** This course forms the preliminary pathway to becoming an accredited athletics classifier. IPC athletics classifiers are also expected to attend an IPC Classification Seminar once every five years to refresh their skills and abilities and to update their classification knowledge.

### **Date: 10 - 11 August '09**
