

Saturday and Sunday  
June 14th and 15th, 2008  
9am – 3pm

# The Power of Sport Summit 2008

A Participatory Forum on Sport and Social Change

Hosted by the Center for the Study of Sport in Society  
at Northeastern University

An interactive meeting of academics, practitioners and advocates working together to define and address current and emerging issues involving the intersection of sport and social justice.
