ORGANIZED BY
BHARAT CENTRE OF OLYMPIC RESEARCH AND EDUCATION (BCORE), INDIA

**EDUCATION,
RESEARCH,
AND GOVERNANCE**

**THE SUSTAINABLE
OLYMPIC ECOSYSTEM**

Powered by :

VISION

To address critical Olympic challenges in India's Olympic aspirations and develop long-term, sustainable solutions through integrated research, education, and governance.

STRATEGIC OBJECTIVES

- Ignite research reform and foster innovation in Olympic studies.
- Integrate education, research, and governance for a cohesive Olympic development framework.
- Create India-centered strategies aligned with the country's vision for sporting excellence.

UNIQUE INITIATIVES

3 days PG Scholars' Research Methodology Workshop

Gap finding, scoping reviews, qualitative methodologies, and emerging research areas, led by national and international Olympic faculty.

Research Networking Platform

Facilitation of partnerships between researchers, firms, academies, and institutes for case studies.

Education-Policy Integration

Direct involvement of universities, schools, and academies in shaping Olympic-aligned policies.

India-Centric Mega Event Case Studies

Olympics, Commonwealth Games, WPFG in the Indian context.

OSRC Travel Sponsorship Model

Sponsorships from Indian agencies/firms, with experts and scholars contributing expertise in return.
