Basel, 3.- 5. Sept. 2025

CPX International Inc.
formerly ISEIRE Inc.

How can cardiopulmonary exercise tests be used and correctly interpreted?

The 27th European Congress on Cardiopulmonary Exercise Testing (CPET) in Basel provides in-depth information from leading CPET experts.

Practical Demonstrations

Interactive sessions with live demonstrations and real case studies. Discussions at basic, advanced, and expert levels.

Optimal use of CPET in various clinical scenarios,
in athlete care, and in research.

International Networking and Face-to-Face Exchange

Meet leading CPET researchers and practitioners from around the world.

Basel as the Event Location

A unique blend of culture, history, and science awaits you in an inspiring setting in the dynamic city near the river Rhine.

Organizers:

University of Basel, DSBG, under the leadership of:
Prof. Arno Schmidt-Trucksäss (Congress President)
