Subject: Invitation to the 2nd Global Coalition for an Active World Meeting

Dear Partners,

It is with great pleasure that we would like to invite you to take part in the

2nd Global Coalition for an Active World meeting,
Saturday, 17th October 2015, 14:00 – 16:00
In the Vigadó Concert Hall, Budapest, Hungary,
as part of the 24th TAFISA World Congress 2015.

Exactly two years after a first and promising encounter, it is our belief that
time is now ripe for our coalition to gather once again with the purpose to
share our recent activities with each other, learn more about our current
priorities and explore potentialities for further collaboration.

The 24th TAFISA World Congress, to be held October 14th – 18th with the
theme “Sport for All – The Ultimate Legacy”, will constitute the perfect
platform for our group to deepen its integration as it is our common interest
to build and leave an active legacy to the future generations.

Please let us know by answer email whether:

1. You plan to send a representative to attend the 2nd Global Coalition for an Active World meeting

2. Your representative would like to participate in the 24th TAFISA World Congress 2015, so that we can facilitate your registration. For more information, please visit www.tafisaworldcongressbudapest.com. A draft programme of the Congress is enclosed to this letter.

Best Regards
