

INVITATION - Active Cities Workshop

21-22 February 2019, Berlin, Germany.

Dear participant,

It is our pleasure to invite you - or a representative from your organisation - to the **PACTE Thematic Workshop on Active Cities** which will take place in **Berlin, Germany, on the 21st to 22nd of February 2019.**

Workshop Objective

With over 200 million inactive citizens, physical inactivity has become one of the most pressing challenges in Europe. Despite growing scientific evidence and political attention on the benefits of promoting healthy lifestyles at national and European levels in recent years, the sedentary crisis is developing.

We believe there is an opportunity to reverse this trend and that cities have a fundamental role to play, especially when targeting physical activity in the school context.

What role can a city play? What are the main elements of an Active City? Which are the key success factors for active schools and active kids?

This workshop is open to anyone from city leaders, local representatives, urban planners to experts involved in promoting physical activity in urban areas. It will explore, discuss and challenge the main elements of an Active City.

Workshop Programme

Please see enclosed a tentative agenda for this workshop.

The workshop will start at 13.00 on Thursday 21st February and finish at 13.00 on Friday 22nd February 2019.

Travel, accommodation and meals

Please note that travel and accommodation costs associated with this workshop will be the responsibility of attendees. Lunches on site (21st and 22nd February) will be covered by the organisers. Dinner on the 21st February is the responsibility of participants.
