Physical Education and Recreation

# 30th ACHPER International Conference

Monday January 16 - Wednesday January 18, 2017

University of Canberra | Canberra, Australia

*Participating in an Active and Healthy Life: Valuing the Participant Voice*

## ACHPER is pleased to announce **ABSTRACTS EXTENDED** until **August 31, 2016** for our 30th International Conference

**NEW Submission deadline - Wednesday August 31, 2016 at 11.59 pm AEST**

**NB: Citable publication opportunity available**

To date, we have received over 150 abstract submissions. We invite abstracts for paper presentations, workshops/ interactive sessions, posters/exhibits, lightning talks and or symposia addressing one of the following themes:

- Focus on educative purposes
- Take a strengths-based approach
- Value movement
- Develop health literacy
- Include a critical inquiry approach
- Sport and recreation pedagogies

We also have four symposia topics of:

- Game Sense
- Spectrum of Teaching Styles
- Sport Education
- Teaching Personal & Social Responsibility through Physical Activity

Presentations will be structured in concurrent sessions of 20 minutes, 45 minutes or 90 minutes in length and abstracts must be submitted via the [conference website](#) with a maximum of 300 words. For more information on the presentation types and submission process please [click here](#).

### **Citable publication opportunity available**

ACHPER is pleased to announce that it will be working with the ERA listed '[Learning Communities Journal](#)' on a special edition of papers submitted to the 2017 ACHPER International Conference. All papers passing the double blind peer review process will result in a citable publication via either the [conference proceedings](#) or selection by the Conference Academic/Scientific Committee for inclusion in the Learning Communities Journal - Special Edition.

**Final abstract submissions are due by Wednesday August 31, 2016 at 11.59pm AEST**

You will be notified of your involvement by September 2016.

### **Conference Awards**

We continue to encourage award nominations for Early Career Researcher, Young Scholar and Academic Posters which will be awarded at the Conference. More information and eligibility, please [click here](#).
